

TO ALL, THANK YOU!!

Dear Parish Family,

I would like to extend my heartfelt gratitude to everyone who participated in the joyful celebration of our Annual Dinner Dance this past weekend. It was a wonderful evening filled with joy, fellowship, generosity, and a true sense of community. My sincere appreciation goes to all who prepared and distributed the invitations, beautifully decorated the venue, organized the seating arrangements, donated gifts, coordinated the auction, sold tickets, and worked tirelessly behind the scenes. Your dedication, generosity, and loving service made this event a memorable success.

I am deeply grateful for the generous donations we received and to everyone who supported our souvenir booklet through advertisements. Thank you also to those who offered prayers, purchased raffle tickets, and encouraged others to participate. A special word of thanks goes to our parishioners and guests whose presence made the evening so meaningful. We are a parish family united by faith and love, and every person is an important part of our community. I also wish to thank our parish office staff, the Knights of Columbus, the choir, our lectors, Extraordinary Ministers of Holy Communion, altar servers, ushers, and every parish ministry and volunteer group for your faithful dedication throughout the year. I am especially grateful for the outstanding support of our Attic Treasures Thrift Store ministry, whose generosity continues to strengthen our parish.

If I have unintentionally omitted anyone, please accept my sincere apologies and know that your kindness and service are deeply appreciated. Let us also remember with gratitude those whose faith, sacrifice, and vision built this parish community and gave their "tomorrows" so that we might enjoy this spiritual home today.

Above all, I thank God for the privilege of serving as your pastor. Together, may we continue to grow in faith, hope, and love.

May St. Margaret and Mary, Star of the Sea, continue to intercede for and bless our parish community.

With gratitude and prayers,
Fr George C.

NB: Our Parish Picnic will be on Sunday August 23rd @ 12 noon. All are welcome.
