St. Mary Star of the Sea
Catholic Church

September 2024

Dear Parishioner,

I hope everyone has enjoyed this beautiful summer and are preparing for an equally beautiful fall season. I would like to thank Fr. Marek for his work here at St Margaret's and St. Mary's and wish him the best on his new assignment at St. Anthony-St. Rita Parish. I want to take this opportunity to appeal to you to continue to support and love your parish of St. Margaret's and St. Mary's. It is only through your love, support, and dedication that we have been able to do so much.

As you are aware fall begins our annual collection drive, this drive is what continues to help us during the long winter months. We have been blessed this past year to not have an over abundance of snow but the cold weather months continue to prove difficult with the rising energy costs that I am sure you are all familiar with. This campaign also helps to continue the efforts of rebuilding not only our churches but our communities.

I encourage you to stay on this journey of love and support for St. Margaret's and St. Mary's and continue to do your best to make both churches a welcoming, vibrant, and thriving community for all.

I am asking for help with your generous participation in our grand annual collection. Your contribution will help the parish tremendously. Please be assured of my appreciation and my prayers for you and your families thank you for being parishioners of St. Margaret and St. Mary's churches.

Yours in Christ,

Fr. George C.
Administrator
